

WELCOME TO THE KSC 2010-2011 SEASON

The Kent Skating Club Board of Directors would like to take this opportunity to welcome old and new members alike to the 2010-2011 skating season. We are off to a good start planning for the new season and look forward to a very exciting and enjoyable time at the rink with you and your families.

Because of an increase in fees charged by the rink, we have had to increase our ice fees slightly. We are spreading ice payments across 9 months instead of 8 to help lessen the impact each month. The club will also be looking for your help with fundraising again this year. We have several new fundraisers planned and are always open to new ideas!

Please read the general ice guidelines in your packet carefully. These have been developed to assure the safety and effectiveness of the sessions and the opportunity for the skaters to have a positive skating experience. In order to reinforce the ice guidelines and ensure the safety of all on the ice, KSC Safety Town will be operating again in August. More details will follow on dates for this. If you have any questions, please email any of the Board members or track them down at the rink.
